What are my options for accessing Landstar on my mobile device?

The Landstar Carriers mobile app provides easy access to Landstar available loads and status updates on loads in transit and is available in the Apple App Store, Windows Phone Store, and Google Play.

The Landstar Connect mobile app provides easy access to status updates on loads in transit and visibility to freight bill details and is available in the Apple App Store and Google Play. TRANSFLO Mobile+, also available in this app, allows you to easily upload your paperwork to Landstar for a small fee of \$2.00 each time.

For help with Landstar mobile apps, contact us at 800-435-1791 Option 7 or e-mail procurement@landstar.com.
