Do I have to be qualified with Landstar to post my equipment?

No, but you do have to be qualified with Landstar before a Landstar agent can dispatch you on a load, so it would be a good idea to get qualified right away. From LandstarCarriers.com, click on the **Get Qualified** button in the Menu bar at the top of the Home page to learn how.

How do I post my available equipment?

After signing in,

1. Select **Post Your Trucks** from the **My Freight** menu.
2. Complete the required fields. Fields that require an entry are marked with a red asterisk (*).
3. When you have finished entering information, click the **Submit** button.

Your equipment remains posted until three days after the Available Date you assigned to it, unless you delete the posting before that date.

How do I see, edit, or delete my posting?

To see your postings,
1. Click on **Post Your Trucks** from the **My Freight** menu after signing in.
2. Click on the **Manage Trucks** tab to see a list of your current postings.
3. Click on the **View** link for a particular posting to see truck details.

To change a posting you've made,
1. Click on **Post Your Trucks** and then the **Manage Trucks** tab at the top of the page.
2. Locate the row for the posting you want to change and click on its **Edit** link.
3. Make your changes.
4. Click on the **Submit** button at the bottom of the page.

To remove postings,
1. Click the check box in the **Select** column of the posting you want to delete in the **Manage Trucks** tab.
2. Click on the **Delete** button at the top of the Select column
